MODULE 3 — Loops and Repeated Computation

Question: Sum Multiples

Platform: LeetCode

Problem Link:[Sum Multiples — LeetCode]

C Source Code:

```
int sumOfMultiples(int n) {
    int sum = 0;

    for (int i = 1; i <= n; i++) {
        if (i % 3 == 0 || i % 5 == 0 || i % 7 == 0)
            sum += i;
    }

    return sum;
}
```
